**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I get my internet access through Sonic, a provider that uses unbundled copper and inter-city fiber transport elements. Please do not reduce competition by dismantling key components of the 1996 Telecommunications Act. This will have the effect of increasing the price I pay for internet connectivity.
